Ambassadors will receive Amazon gift cards in the amount of the incentives they earn, up to $500. We will use our Google form reports to determine what workshops have been completed and how many people are reached. Incentives will be tracked from January 1 - December 31 each year. Please make sure you are filling out the forms and having participants fill out the evaluation form each time you present! Tag NFLF if you are posting on Social Media.

* All incentives will be paid once a year, to be approved by NFLF staff.
