

Venn Diagram Game

Supplies

2 hula hoops

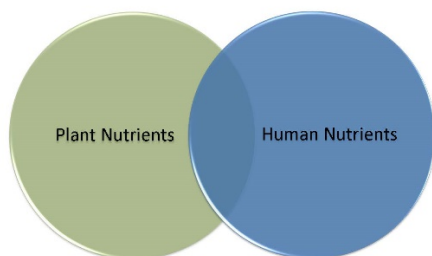

Periodic table cards

2 signs – plants, humans

Tape 2 hula hoops together that they have a space over lapping to look like a Venn Diagram. Place the plant sign on 1 hula hoop and the human sign on the other hula hoop.

Have the students place their cards in the correct circle if the nutrient is needed for plants, human, or if it overlaps and both plants and humans need that nutrient to grow.
