

The banner features a dark blue background with a glowing, textured sphere in the center. The text is centered and reads: "NUTRIENTS FOR LIFE" in white, with a stylized plant icon between the words. Below it, "DIGITAL CONTEST" is written in large, bold, yellow letters. At the bottom, the hashtag "#MADEPOSSIBLEBYFERTILIZER" is displayed in white.

NUTRIENTS FOR LIFE DIGITAL CONTEST

#MADEPOSSIBLEBYFERTILIZER

Contest Description:

We're inviting classrooms in grades 7-12 from around the nation to participate in our exciting digital contest!

Fertilizers play a crucial role in addressing the United Nations' Sustainable Development Goals (SDGs). This contest focuses on UN Goal #2, Zero Hunger, and aims to encourage young minds to explore and creatively showcase the importance of fertilizers in achieving these worldwide objectives. Join us in spreading awareness and knowledge about how fertilizers contribute to food security.
